

### Form 3: US Congressional Candidate Endorsement Pledge to Abide

DATE \_\_\_\_\_

Whereas, I have chosen to pursue the nomination of the Republican Party of Minnesota (Republican Party) to run for United States Congress representing the Seventh Congressional District of Minnesota (CD7); and,

Whereas, I recognize that Republican grassroots activists across CD7 and the Republican Party leadership will invest significant time, money and other resources to support the endorsed candidate; and,

Whereas, I would not want to do anything to damage the Republican Party by running against an endorsed candidate after the CD7 Endorsing Convention which would delay or diminish critical planning and fundraising to our endorsed Republican candidate; and,

Whereas, I understand that the Republican Party has stated publicly that they will campaign against any candidates who do not adhere to the endorsement process; and,

Whereas, I respect the delegates and alternate delegates and recognize that they have been elected to represent the Republicans within each precinct of the CD7; and,

Whereas, by seeking the Republican Party's CD7's endorsement, I indicate I significantly value the endorsement process.

***Now therefore be it known that as a candidate seeking this endorsement -***

- 1) I pledge to adhere to the CD7 Republican Party of Minnesota Seventh Congressional District Convention endorsement; and
- 2) If I am not endorsed, I pledge to not run in the primary for this position or against any other Republican endorsed candidate for any other position and,
- 3) As a Republican myself, I pledge to support the endorsed Republican candidate after said convention and do everything within my power to help the endorsed candidate be elected as the next US Congressional Representative from CD7 of the Republican Party.

These things I pledge upon my sacred honor, so help me God.
